"The Staff of Life"

Bread has been called "The Staff of Life". It is. It is the staple food in every home—the chief article of diet on every table. You seldom sit down to a meal without it.

See if they don't say it's the finest bread they ever ate.

For your fruit
and candy
come to the

PARADISE

Our fruit is always fresh and has to be good to live up to the Paradise standard.

Our candy we make ourselves in our own sanitary factory, employing only candy makers of experience.

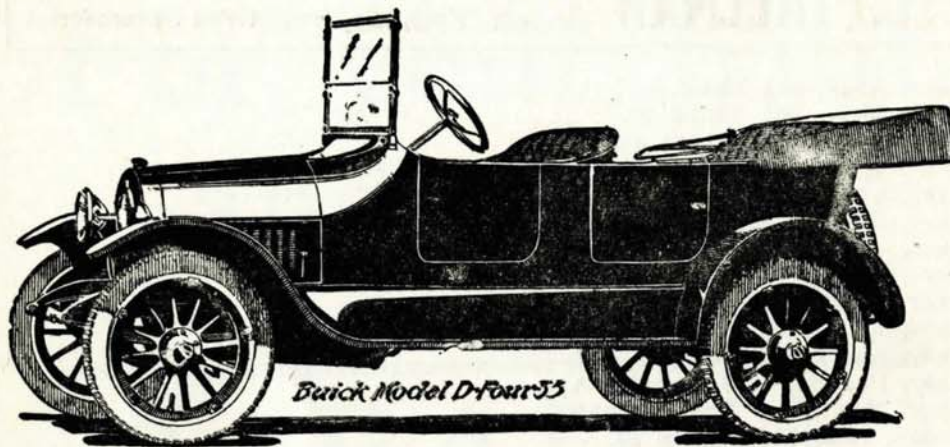

Our soda fountain is the most complete in the county and here we serve ice cream that is made in our own ice cream factory, where we use only 20 per cent cream.

These hot summer days that are coming you will do well to make your headquarters at the

PARADISE

What L- G-A-M-R-A-T-H stands for

- L stands for Lusciousness
In meats of fine flavor.
G stands for Gratified
For our meats win favor.
A stands for Appetites
By good taste appeased.
M stands for Money Saved
Which makes many pleased.
R stands for Right Price
And Right Service, too.
A stands for Advantages
In meat buying for you.
T stands for Trial
Which from you we invite.
H stands for Honest Weight
Plus treatment that's right.
These all spell a name
That stands to declare,
That you stand to be pleased,
More at the Palace than elsewhere.

Best by Test

A building is only as strong as its weakest part. Don't let the mortar in your building be its weakest part by using an inferior sand. Best sand is cheapest as it requires less lime, cement or plaster to make a strong mortar.

The Ames Building and Loan Association Ames, Iowa

This Association desires to call your attention to the fact that if you have any pet plan or object for which you will need money in a few years, we are offering very choice ways and means to attain it. As for instance :

Five dollars monthly invested in the stock of this Association will, with the semi-annual dividends we are paying, amount to about \$350.00 in five years.

If you want to make it \$1,000.00, the same process will bring it in 12 years.

Or, if you have something larger in view, and have an income so you can save \$25.00 a month, you can realize \$1,750.00 in five years. It is worth saving to have that amount sure to look ahead to, and might mean big things in your life you have not dreamed possible before. You lose nothing except time in case some accident of sickness prevents the regular deposit.

Any stockholder will be glad to explain the workings of the Association to you. You are invited to call at the office of the Association for printed matter and other information.

A. F. ALLEN, Secretary.

FRANK THEIS, Asst. Secretary.
